

# What's for Dinner: Chef Salad

1. Open Salad Kit. Pour in large bowl. Add any small pouches of toppings into bowl.

2. Remove peel from hard boiled eggs. Chop and add to salad.

3. Add cooked chicken to salad.

4. Wash and chop extra vegetables to include in your salad.

5. Add shredded cheese to the salad if desired.

6. Toss in bowl with salad dressing. Dinner is ready!

Some individuals may enjoy stuffing the salad into pita bread and eating as a sandwich!
