Chef of the Month - April

Here Michael is singing “Mix it Up” as he makes Garlic Parmesan Roasted Broccoli.

April’s *Chef of the Month* is Michael Konopka. Michael has been with the 9055 Kitchen since the Fall of 2016 working with his roommate, Scott. His independence has greatly improved since he started, as has his enthusiasm for participating. His sing-a-longs are infectious and he quickly gets the whole floor to join in in a rousing rendition of “*Mix it up!*” Please take a moment to congratulate Michael on a job well done.

Attention! We are looking for a new *Artist of the Month*. If you would like to apply for this prestigious position, there are three steps:

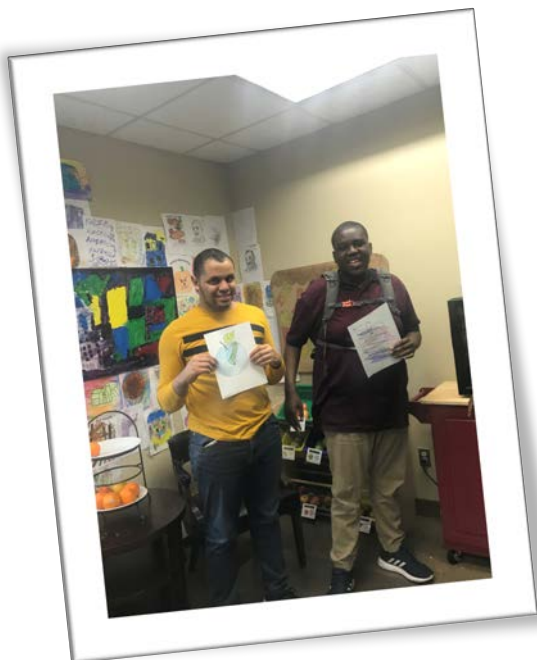

1. Go to *The Snack Zone* and make art.
2. Let Mrs. Janice or one of her interns hang up your art.
3. Repeat step 1 and 2.

Stephanie's favorite is a Fuji Apple.

Welcome Stephanie!

Our newest intern on the teaching floor is Stephanie Ra, a Psychology Major and Counseling Minor at Liberty University. Her strong behavioral health background is one of the reasons Stephanie pursued a position at CSS. Stephanie is also a great chef and loves participating in our many cooking activities. Come welcome her to CSS.
