Chef of the Month – January

Satish Prasad

We celebrate a new year with a new *Chef of the Month:* **Satish Prasad**. Satish has been cooking on the teaching floor since 2016.

Satish, King of Salads

Satish prepares a salad every week and has gotten very good at cutting and dicing vegetables. Satish may talk constantly about cookies and cake, but he always eats every bite of his salad. And it looks delicious! Take a moment to congratulate Satish when you see him.

Artists of the Month -- 2019

We had several months in 2019 where we honored artists for their contributions to our ongoing art collection. As one year ends and another begins, we honor these individuals.
