Chef of the Month – March: Scott Astrove

Our *Chef of the Month* for March is Scott Astrove! During his time working with Ms. Janice, Scott has become very adventurous and independent with his cooking projects. He loves our songs and has even made up a few of his own! Scott has some very advanced skill sets, particularly chopping, peeling, and stirring.

Scott always puts 110% effort into cooking his meals. Be sure to ask him about his favorite dishes – and congratulate him on a job well done!

Artist of the Month: Maya Allen

We are delighted to announce Maya Allen as our March *Artist of the Month*! Maya can often be found in *The Snack Zone* drawing or coloring. Her work is very distinctive as she incorporates a range of bright colors that jump out at you. She is also one of the biggest contributors to our new apple-themed window border. Be sure to congratulate Maya.

Stop by *The Snack Zone* and participate in our “*I Got My Green in the Snack Zone*” promotion. This week we’ve tried green peppers and zucchini! Come find out what’s next!
