## Chef of the Month – June Brian Hustvedt

**Let's Add Some Onions!**

Summer is rapidly approaching and we celebrate **Brian Hustvedt** as Chef of the Month for June. Brian has been working with Ms. Janice since 2016 and is super independent: He needs almost no help in preparing his dinner.

Brian likes all kinds of foods but especially enjoys making Taco Casserole and Pizza on special occasions. Take a moment to congratulate Brian for his hard work.

## Artist of the Month – June Chris Kollecas!

Chris Kollecas was our *Artist of the Month* back in April of 2018. He has contributed so many amazing – and distinctive – pieces of art since then that we have decided it is time to honor him again. Come by the teaching floor and you will see his artistic vision all over our walls. His style is unique and so is his use of color.
